

Field Rules:

Pets are allowed at the complex, but not on the turf.

No Smoking or Alcohol is permitted at the complex

We ask that families do their best to keep food off the turf.

Parking Rules:

We have our main parking lot as well as an overflow dirt lot for event parking. We do not have permission to park in the upper lot which is designated for the UMass Medical Center. There will be signage up for event guests to help with traffic navigation, but we ask that you inform all teams that the UMass Lot is off limits for event parking.
